Auchan Polska
Puławska 46
05-500 Piaseczno
Poland

Reference

Auchan Poland confirms the business relationship with the Company:

Ornamental Plant Nursery Clematisy

located in: Kolincz (83-211), Sportowa 1a, Poland.

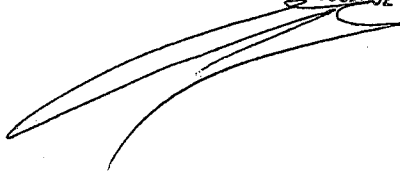

Cooperation began in 2010 and continues until now and proves to be very effective.

As part of the agreement the company supplies our stores with fruit and ornamental potted plants. The desired quality of the goods determines the purchase from the mentioned seller. The assortment is at good parameters. The company, thanks to the prices of their goods, is a prominent player in the market and takes care of the client portfolio and the benchmark of this are the low prices.

The company has good knowledge of the market and stands out in terms of the implementation of novelties from the branch.

The proper approach to customer has positive impression. During cooperation with this company you can feel that you are treated professionally and kindly by experts employed in the company.
